When you get involved, you make a difference!

How do we join the movement?

Employees

Through workplace campaigns

- This is a great way to help staff donate more. For example, employees who give \$4 per day over 26 pays end up making an annual gift of \$104, which costs just \$67.60 after tax deductions. The donation appears on employees' Relevé 1s and T4s for tax purposes.
- Signing up for payroll deductions means providing ongoing support to many agencies that make a difference in the lives of disadvantaged people in our region.
- This is an effective way to support the community and get involved.
- Employers can promote team work through the campaign by working with employees, retired staff, and unionized staff on a shared project.

Management

Through a corporate donation

- A corporate donation is a concrete way to demonstrate support for your internal campaign.
- A corporate gift is the best way to help Centraide Laurentides manage a portfolio of agencies chosen for their effectiveness.
- When added to an employee campaign, this gift creates company pride by getting everyone working toward a common goal. The result? An incredible movement of generosity.
- A corporate donation helps you fulfill your social responsibility by letting you take action to make an important change in your region.

Through its campaign team, Centraide Laurentides supports you with every aspect of implementing and running your campaign by:

- Training the person who is responsible for your workplace campaign.
- Sharing tips and practices.
- Providing materials and resources (e.g., communication tools and brochures, fact sheets, donation forms, testimonials).
- Always being there to help you!

The strengths of Centraide Laurentides

Every year, Centraide Laurentides helps over 60 local agencies fulfill their mission to help people in need. We work together to break the cycle of poverty and social exclusion by helping 62,000 vulnerable people in our territory.

Centraide is fortunate to count on employees and businesses in the region who give donations to help people in need. Our rigorous donation allocations process is reviewed every year and guides our analysis of each request submitted to Centraide.

Centraide Laurentides THANKS YOU for your valuable contribution!

In 2017, we allocated
\$1,700,000 to
agencies in the region.

Winner of the 2016 Prix Louis-Fortin

Every year, the Prix Louis-Fortin acknowledges the effort, involvement and commitment of a workplace campaign director to the Centraide Laurentides cause.

Kim Lavolette, from the Ville de Lachute, has support and help the city staff to organize her workplace campaign.

Thank you to Kim
and her entire team !
