

WITHOUT THE
BURDEN OF POVERTY
AND EXCLUSION,
WE CAN ALL RISE UP.

Thanks to your donation,

Centraide Laurentides has the means to ensure the active participation of everyone in the community regardless of age, gender, background or abilities. Your donation allows us to show our local love and leave no one behind.

We take care of
the essentials

Centraide Laurentides financially supports 25 agencies that meet people's basic needs, such as for food, clothing and housing, to help them become self-sufficient.

We break social
isolation

Centraide Laurentides supports 8 agencies that help those who are excluded and isolated reconnect with life and people.

We support youth
development

All young people should be able to eat three meals a day as well as gain confidence to overcome life's challenges. Centraide Laurentides lets 18 agencies offer help and tools to young people so that they can develop their potential.

We build caring
communities

Centraide Laurentides works with regional partners and community agencies to develop a common vision of priority actions to reduce poverty.

We help 1 in 10 people in your community.

We act on not only the impacts but also the causes of poverty and social exclusion. Centraide Laurentides makes a difference in the lives of thousands of people in our region by supporting over 50 agencies and community projects.

These agencies and projects foster childhood development, prevent school dropouts, help families become food self-sufficient, break the isolation of people who live alone, and support everyone who struggles to find a place in our society.

In 2021, over 50,000 people received direct help from the network supported by Centraide Laurentides.

Your donations are changing local lives.
