

Each day, through the vital work of the organizations we support, we take meaningful action to improve the living conditions of people facing vulnerability.

In 2024, a **record amount of \$2.58 million** was reinvested in the community thanks to thousands of acts of solidarity. Yet the needs continue to grow every day. And only together can we rise to meet them. Your generosity supports more than **65 organizations, projects, and initiatives** in your region. Its impact spreads like a ripple of hope—reaching far beyond the individual who receives help.
